DEADLINE: 31st MARCH, 2024

Aquaculture Ghana 2024 presents a brilliant opportunity for all aquaculture stakeholders to come together to interact and share new ideas on how to push Ghana's aquaculture industry to the next level. The Aquaculture Ghana 2024 Abstract Committee urges the submission of high quality oral and poster presentations.

The Abstract Committee encourages authors to think about poster presentations, as sessions on poster presentations are important part of the conference. The official language for the conference is English, as such all abstracts must be in English. Each oral presenter shall be entitled to fifteen (15) minutes for a presentation and additional five (5) minutes for questions. Power point will be used for oral presentations.

Abstract book will not be printed, rather an Abstract book will be available online. The Organizers of Aquaculture Ghana 2024 are unable to subsidize travel and accommodation expenses. Presenters are required to bear the full cost of travelling and accommodation expenses.
